

Job Posting Date: June 19, 2024

Indiantown Marine Center

Position: Yard and Travelift Crew

Level: General Labor

Job Description:

Join our team at Indiantown Marine Center, where you'll be responsible for various operational tasks to ensure smooth and efficient yard activities. Carry out company operations as directed, including but not limited to:

- Vessel Haulout, Blocking, and Launching: Safely and efficiently operate our lifting equipment, including a 250T Travelift, a 100T Travelift, forklifts, telehandlers, jackstands, blocks, and related equipment. This also involves using pressure washing, pumpout, and recycling systems. Perform routine maintenance and cleaning of this equipment as directed.
- General Facility Maintenance: Assist management with cleaning, painting, carpentry, plumbing, landscaping, and special projects as needed. Follow operational policies and best practices, participate in safety and environmental training, and strive to improve efficiency.
- Policy Adherence: Uphold company policies related to employment, safety, environmental protection, security, and overall facility maintenance.
- Training and Familiarization: Gain knowledge of standard marine practices for proper blocking and stands to ensure safety and efficiency.
- Team Collaboration: Work with other employees as directed by the Travelift Foreman to meet scheduling needs for Travelift operations and other yard tasks.
- Extended Hours Availability: Be prepared to work extended hours during hurricane threats to accommodate increased Travelift operation demands.
- Customer Interaction: Address customers courteously to foster positive relationships and create a welcoming atmosphere for boat owners, captains, and crew.

Compensation: Hourly Rate: \$18.00 – \$28.00

Offered by: Dan Romence, President, Indiantown Marine Center

How to Apply:

Interested candidates should submit their resume and a cover letter detailing relevant experience to admin@indiantownmarinecenter.com
